Costs of the third party investigation were brought up by board members, including an email from Glenda Gerson, regarding limiting the cap on hours. Chief Abel stated there would be an estimate with the scope of work from Brenda and would keep the board apprised at the next board meeting of projected costs, including her travel expenses. Bob Gory commented on where the funds would come from, Chief Abel had suggested that they use funds from contingency once they had a better idea of the cost of the project. Chairman Daniel made a comment that there had already been a lot of work put in to this project, but he had no problem with a third party opinion as long as the board was kept apprised of the continuing cost and progress. *Wayne Posey made the motion to hire Brenda Tranchina from Human Resource Strategies to be a third party and look into the issues of personnel issues and to be updated at the next board meeting of status, along with a second from Don Rountree.*

Chief Abel respectfully asked the Fire Board to consider maintaining Captain Pellerin's current rate of pay that had been adjusted when he accepted the position of Interim Chief. Chief Abel proposed that Captain Pellerin's position is vital to the current Chief Abel's position, as Captain Pellerin is taking on the operational and training side of the Fire Department, which includes working with on-shift Captains, ensuring the daily operational readiness of the Fire District, including personnel, apparatus and equipment readiness giving Chief Abel the time and opportunity to focus more on other matters, such as policy and procedures and other administrative duties. After discussion Board felt that the position should be put back to original rate prior to becoming Interim Chief.

Motion was made by Wayne Posey, to put Captain Pellerin's salary back to where it was prior to becoming Interim Chief, with a second from Bob Gory.
